Worldcall Telecom Limited

DIRECTORS' REVIEW

The Directors of Worldcall Telecom Limited ("WTL" or the "Company") are pleased to present the financial information for the third quarter and nine months ended 30 September 2010.

Financial Overview

The business activity generally remained slow during the past quarter. Heavy floods effected vast area and normal business activity in many important cities came to halt due to heavy rains. Compared with the same period last year, the Company was able to maintain the revenue levels and close the period by posting revenue of Rs 5,976 million. Direct cost of Rs. 5,126 million witnessed an increase of 2% over the comparative period mainly on account of depreciation and network maintenance charges. This however affected the gross profit margin which stands at 14% as against 17% of the same period last year. High finance cost of Rs. 559 million on TFCs and other borrowings continued to be the major impediment to better financial performance. After accounting for tax, impairment and other expenses the period was closed with a net loss of Rs 744 million.

Future Outlook

Activities on different USF projects are in progress. The commercial launch of MTR got delayed due to floods in the region however work has now been resumed expeditiously.

Competition and escalating cost of doing business are making it hard to translate the growth in revenues and subscribers into bottom line profits. The Company is assessing different synergy initiatives with Omantel which are aimed at entering new revenue streams so as to create value for the shareholders. Subsequent to the period end the Company successfully paid off a hefty redemption of TFCs of Rs 817 million entirely through its current resources. This not only indicates the potential but also offers reflection of the fact that the Company's financial position is expected to improve remarkably once its high cost debt burden is alleviated.

Company's staff and customers

We would like to thank all our customers and subscribers for their encouragement and for the trust they placed in us. We also put on record here our appreciation and gratitude for all our staff members and valuable employees. Their efforts and loyalty to the organization is highly commendable.

For and on behalf of the Board of Directors

The Company has filed an appeal bearing F.A.O.147/2010 against the said determination before the Honourable Lahore High Court Lahore; the same is pending adjudication. Based on legal advice, the Company has a very good case and there is every likelihood of success.

12.2.2 PTA has issued a notice to the Company for the cancellation of the 479 MHz and 3.5 GHz frequency bands licenses, as the Company has failed to undertake the rollout of its wireless local loop ("WLL") network in the aforesaid frequencies within the time limit prescribed by PTA. The Authority has right to withdraw unused frequency spectrum and cancel the license for not meeting the said roll out requirement. The Company's stance in this respect is that the rollout in 479 MHz, a non standard frequency band, could not be carried out due to non availability of infrastructure and user terminals. Its deployment and commercial operation is not possible in the limited revised time frame. In 3.5 GHz band, the roll out is delayed due to limited

Worldcall Telecom Limited

customers' market and high cost of the Customer Premises Equipment. Non-firm standards, technology evolution and optimization of spectrum by PTA are also the main reasons for its delayed rollout. However, the Company has started its roll out plan and is successful in getting commencement certificate in GTR and KTR regions for 3.5 GHz frequency and 479 MHz frequency respectively.

In addition to above commencement inspection has been done for 3.5 GHz frequency for the following regions: RTR, CTR, MTR, STR-I, and STR-V while for 479 MHz frequency commencement inspection has been conducted for the following regions: RTR, GTR, FTR, MTR, STR-I and STR-V. The management is hopeful that the matter will be decided in favour of the Company and notice will be withdrawn.

- 12.2.3** There is a dispute of Rs. 11.3 million (31 Dec 2009: Rs. 11.3 million) with PTA on account of contribution to the Research and Development Fund ("R&D Fund") for the period prior to the valid formation of R&D Fund by the Federal Government. PTA issued a Show Cause Notice dated 26 June 2009 which culminated into a determination dated 22 February 2010 against the Company. The Company has filed an appeal bearing F.A.O.147/2010 against the said determination before the Honourable Lahore High Court; the same is pending adjudication.

Validity of this fund is under question before the Honorable Supreme Court of Pakistan in a petition filed by another operator. The Honorable Supreme Court is yet to decide the fate of this fund. Any payment towards this fund shall be refundable in case of favorable decision of the Honorable Supreme Court. Based on legal advice, the Company is hopeful that there will be a favorable decision by the Honourable Supreme Court.

- 12.2.4** There is a dispute of Rs. 491 million (31 Dec 2009: Rs. 491 million) with PTA on Access Promotion Contribution (APC) for Universal Service Fund (USF) representing contribution for the period prior to the valid formation of USF fund by the Federal Government. A Show cause notice was issued by the PTA which culminated into determination dated 04 April 2008 against the Company. The Company filed an appeal in Honourable Islamabad High Court Islamabad and the Honourable Court was pleased to dismiss the appeal vide judgment dated 21st January 2009. The Company then filed a Civil Petition for Leave to Appeal (CPLA) before the Honourable Supreme Court of Pakistan against the judgment of the Honourable Islamabad High Court. The Honourable Supreme Court has heard the preliminary arguments in presence of the Respondents in various hearings. Lastly, this case was fixed on 8 February 2010 however the same got adjourned on the written request of the Respondents. The office of Honourable Supreme Court is yet to fix the next date of hearing. Based on legal advice, the Company is hopeful that the matter will be decided in favour of the Company.

12.3 Taxation issues

- 12.3.1** Income Tax Return for the tax year ended 30 June 2006 was filed under the self assessment scheme. Subsequently, the case was reopened by invoking the provisions of section 122 (5A). Additions were made on account of brought forward losses, gratuity and goodwill of Rs. 773 million. The Company filed an appeal before the Commissioner of Income Tax (Appeals). The Commissioner of Income Tax (Appeals) dismissed the appeal of the Company and now the Company has filed appeal in Income Tax Appellate Tribunal Lahore against the order of Commissioner of Income Tax (Appeals). The management is hopeful that the matter will be decided in favour of the Company.

- 12.3.2** Taxation Officer passed an order in 2007 under section 161/205 of the Income Tax Ordinance, 2001 for the tax year 2004 and 2005 on account of sales of Payphone services and calling cards creating a tax demand of Rs. 173 million by treating the Company as an assessee in default for non-deduction of tax under section 236 of the Income Tax Ordinance, 2001. A penalty of Rs. 8.67 million was also imposed for non payment of the demand mentioned above. The Company filed an appeal against this order before Commissioner of Income Tax (Appeals). The Commissioner of Income Tax (Appeals) dismissed the appeal of the Company and subsequently the Company filed an appeal in Income Tax Appellate Tribunal ("ITAT"),

Worldcall Telecom Limited

Lahore against the order of Commissioner of Income Tax (Appeals). ITAT, Lahore decided the case in favour of the Company and resultantly the demand of Rs 181.67 million was reversed. The department has now filed reference in the Honourable Lahore High Court against the decision of ITAT, Lahore on 08 September 2008 which is pending adjudication.

- 12.3.3** Income Tax Returns for the tax year ended 30 June 2003 were filed under the self assessment scheme of Worldcall Communications Limited, Worldcall Multimedia Limited, Worldcall Broadband Limited and Worldcall Phonecards Limited, now merged into the Company. The Company has received orders under section 122(5A) against the said returns filed under self assessment on 02 January 2009. As per Orders, the Income Tax Department intends to amend the returns on certain issues such as depreciation, turnover tax adjustment, gratuity provision, share premium, allocation of expenses to capital gain, mark up from associates and share deposit money. An appeal has been filed by the Company against the orders before the Commissioner of Income Tax (Appeals). Commissioner of Income Tax (Appeals) has restored the original assessment order U/S 177 dated 17 May 2005 for Worldcall Broadband Limited. Remaining appeals were also decided and a partial relief was given by CIT (Appeals), while being aggrieved, the Company has filed appeals in Income Tax Appellate Tribunal Lahore. Based on legal advice, the management is hopeful that matter will be decided in favour of the Company.

- 12.3.4** In year 2006, Sales Tax refunds were applied for and granted to the Company under Section 66 of the Sales Tax Act 1990 on the basis of a letter issued by the Federal Board of Revenue (FBR) bearing No.1(17)CEB/96 dated 24 December 2004. Subsequently, in 2006, the FBR sent out another letter stating that the earlier clarification was prospective and did not apply to those instances of excise duty which had already been levied and collected since those were past and closed transactions.

Following this change in stance by the FBR, a Show Cause Notice was sent to the Company, including various other payphone companies and proceedings were initiated, culminating in the decision of the Customs, Federal Excise and Sales Tax Appellate Tribunal (CESTAT) dated 15 October 2009 in which it was held that though no tax fraud was apparent and neither penalties were appropriate, however, the disputed refund should be recovered from the Company (that is Rs.167 million). A reference has now been filed by the Company against the CESTAT decision before the Honourable Lahore High Court bearing Reference Application No.74 of 2009. An injunction currently holds the field which precludes recovery of the disputed refund. Most recently, the Appellate Tribunal Inland Revenue vide its judgment dated 09 April 2010 has allowed the appeals of other pay phone companies in result whereof entire demand of refund as well as additional tax and penalty has been set aside.

The Company has paid 20% of principal amount to date to the department against the said dispute. Based on legal advice and recent decision of the Tribunal in other similar cases, the management is hopeful that matter will be decided in favour of the Company.

13 Contingencies and commitments - The Company

Contingencies

13.1 Billing disputes with PTCL

13.1.1 There is a dispute of Rs. 71.79 million (31 Dec 2009: Rs 70.23 million) with PTCL of non revenue time of prepaid calling cards and Rs. 24.93 million (31 Dec 2009: Rs 29.3 million) for excess minutes billed on account of interconnect and settlement charges. The management is hopeful that matter will be decided in favour of the company.

13.1.2 PTCL has charged the Company excess Domestic Private Lease Circuits (DPLC) and other media charges amounting to Rs. 175.57 million (31 Dec 2009: Rs. 153.54 million) on account of difference in rates, distances and date of activation. Further, the Company has also deposited Rs. 40 million (31 Dec 2009: Rs. 40 million) in Escrow Account on account of dispute of charging of bandwidth charges from the date of activation of Digital Interface Units (DIUs) for commercial operation and in proportion to activation of DIUs related to each DPLC link and excess charging in respect of Karachi-Rawalpindi link which was never activated. The management is hopeful that matter will be decided in favour of the Company.

13.2 Disputes with Pakistan Telecommunication Authority (PTA)

13.2.1 PTA has raised a demand on the Company of Rs. 10.6 million (31 Dec 2009: Rs. 10.6 million) on account of annual microwave and BTS registration charges. The Company disputed this amount on the grounds that the same are illegal and discriminatory. PTA issued a Show Cause Notice dated 26 June 2009 which culminated into a determination dated 22 February 2010 against the Company. The Company has filed an appeal bearing F.A.O.147/2010 against the said determination before the Honourable Lahore High Court Lahore; the same is

Worldcall Telecom Limited Group

pending adjudication. Based on legal advice, the Company has a very good case and there is every likelihood of success.

13.2.2 PTA has issued a notice to the Company for the cancellation of the 479 MHz and 3.5 GHz frequency bands licenses, as the Company has failed to undertake the rollout of its wireless local loop ("WLL") network in the aforesaid frequencies within the time limit prescribed by PTA. The Authority has right to withdraw unused frequency spectrum and cancel the license for not meeting the said roll out requirement. The Company's stance in this respect is that the rollout in 479 MHz, a non standard frequency band, could not be carried out due to non availability of infrastructure and user terminals. Its deployment and commercial operation is not possible in the limited revised time frame. In 3.5 GHz band, the roll out is delayed due to limited customers' market and high cost of the Customer Premises Equipment. Non-firm standards, technology evolution and optimization of spectrum by PTA are also the main reasons for its delayed rollout. However, the Company has started its roll out plan and is successful in getting commencement certificate in GTR and KTR regions for 3.5 GHz frequency and 479 MHz frequency respectively.

In addition to above commencement inspection has been done for 3.5 GHz frequency for the following regions: RTR, CTR, MTR, STR-I, and STR-V while for 479 MHz frequency commencement inspection has been conducted for the following regions: RTR, GTR, FTR, MTR, STR-I and STR-V. The management is hopeful that the matter will be decided in favour of the Company and notice will be withdrawn.

13.2.3 There is a dispute of Rs. 11.3 million (31 Dec 2009: Rs. 11.3 million) with PTA on account of contribution to the Research and Development Fund ("R&D Fund") for the period prior to the valid formation of R&D Fund by the Federal Government. PTA issued a Show Cause Notice dated 26 June 2009 which culminated into a determination dated 22 February 2010 against the Company. The Company has filed an appeal bearing F.A.O.147/2010 against the said determination before the Honourable Lahore High Court; the same is pending adjudication.

Validity of this fund is under question before the Honorable Supreme Court of Pakistan in a petition filed by another operator. The Honorable Supreme Court is yet to decide the fate of this fund. Any payment towards this fund shall be refundable in case of favorable decision of the Honorable Supreme Court. Based on legal advice, the Company is hopeful that there will be a favorable decision by the Honourable Supreme Court.

13.2.4 There is a dispute of Rs. 491 million (31 Dec 2009: Rs. 491 million) with PTA on Access Promotion Contribution (APC) for Universal Service Fund (USF) representing contribution for the period prior to the valid formation of USF fund by the Federal Government. A Show cause notice was issued by the PTA which culminated into determination dated 04 April 2008 against the Company. The Company filed an appeal in Honourable Islamabad High Court Islamabad and the Honourable Court was pleased to dismiss the appeal vide judgment dated 21 January 2009. The Company then filed a Civil Petition for Leave to Appeal (CPLA) before the Honourable Supreme Court of Pakistan against the judgment of the Honourable Islamabad High Court. The Honourable Supreme Court has heard the preliminary arguments in presence of the Respondents in various hearings. Lastly, this case was fixed on 8 February 2010 however the same got adjourned on the written request of the Respondents. The office of Honourable Supreme Court is yet to fix the next date of hearing. Based on legal advice, the Company is hopeful that the matter will be decided in favour of the Company.

13.3 Taxation issues

13.3.1 Income Tax Return for the tax year ended 30 June 2006 was filed under the self assessment scheme. Subsequently, the case was reopened by invoking the provisions of section 122 (5A). Additions were made on account of brought forward losses, gratuity and goodwill of Rs. 773 million. The Company filed an appeal before the Commissioner of Income Tax (Appeals). The Commissioner of Income Tax (Appeals) dismissed the appeal of the Company and now the Company has filed appeal in Income Tax Appellate Tribunal Lahore against the order of

Worldcall Telecom Limited Group

Commissioner of Income Tax (Appeals). The management is hopeful that the matter will be decided in favour of the Company.

13.3.2 Taxation Officer passed an order in 2007 under section 161/205 of the Income Tax Ordinance, 2001 for the tax year 2004 and 2005 on account of sales of Payphone services and calling cards creating a tax demand of Rs. 173 million by treating the Company as an assessee in default for non-deduction of tax under section 236 of the Income Tax Ordinance, 2001. A penalty of Rs. 8.67 million was also imposed for non payment of the demand mentioned above. The Company filed an appeal against this order before Commissioner of Income Tax (Appeals). The Commissioner of Income Tax (Appeals) dismissed the appeal of the Company and subsequently the Company filed an appeal in Income Tax Appellate Tribunal ("ITAT"), Lahore against the order of Commissioner of Income Tax (Appeals). ITAT, Lahore decided the case in favour of the Company and resultantly the demand of Rs 181.67 million was reversed. The department has now filed reference in the Honourable Lahore High Court against the decision of ITAT, Lahore on 08 September 2008 which is pending adjudication.

13.3.3 Income Tax Returns for the tax year ended 30 June 2003 were filed under the self assessment scheme of Worldcall Communications Limited, Worldcall Multimedia Limited, Worldcall Broadband Limited and Worldcall Phonocards Limited, now merged into the Company. The Company has received orders under section 122(5A) against the said returns filed under self assessment on 02 January 2009. As per Orders, the Income Tax Department intends to amend the returns on certain issues such as depreciation, turnover tax adjustment, gratuity provision, share premium, allocation of expenses to capital gain, mark up from associates and share deposit money. An appeal has been filed by the Company against the orders before the Commissioner of Income Tax (Appeals). Commissioner of Income Tax (Appeals) has restored the original assessment order U/S 177 dated 17 May 2005 for Worldcall Broadband Limited. Remaining appeals were also decided and a partial relief was given by CIT (Appeals), while being aggrieved, the Company has filed appeals in Income Tax Appellate Tribunal Lahore. Based on legal advice, the management is hopeful that matter will be decided in favour of the Company.

13.3.4 In year 2006, Sales Tax refunds were applied for and granted to the Company under Section 66 of the Sales Tax Act 1990 on the basis of a letter issued by the Federal Board of Revenue (FBR) bearing No.1(17)CEB/96 dated 24 December 2004. Subsequently, in 2006, the FBR sent out another letter stating that the earlier clarification was prospective and did not apply to those instances of excise duty which had already been levied and collected since those were past and closed transactions.

Following this change in stance by the FBR, a Show Cause Notice was sent to the Company, including various other payphone companies and proceedings were initiated, culminating in the decision of the Customs, Federal Excise and Sales Tax Appellate Tribunal (CESTAT) dated 15 October 2009 in which it was held that though no tax fraud was apparent and neither penalties were appropriate, however, the disputed refund should be recovered from the Company (that is Rs.167 million). A reference has now been filed by the Company against the CESTAT decision before the Honourable Lahore High Court bearing Reference Application No.74 of 2009. An injunction currently holds the field which precludes recovery of the disputed refund. Most recently, the Appellate Tribunal Inland Revenue vide its judgment dated 09 April 2010 has allowed the appeals of other pay phone companies in result whereof entire demand of refund as well as additional tax and penalty has been set aside.

The Company has paid 20% of principal amount to date to the department against the said dispute. Based on legal advice and recent decision of the Tribunal in other similar cases, the management is hopeful that matter will be decided in favour of the Company.
